Mr. Martin Cramer
Executive Director
National Intelligence Study Center
P. O. Box 34682

Dear Martin:

Here are copies of the National Press Club speech and the questions and answers, also, as we discussed, I am enclosing a standard DCI speech and a DDCI speech made recently. Hope these are helpful.

Perhaps as the Center gets underway it would be helpful for Cline to chat briefly with Mr. Hetu, our Director of Public Affairs. What do you think?

Sincerely,

Deputy Director
Public Affairs
